

# Regional Transition Advisory Council (TAC) Meetings

How is the DPI/DVR/DHS interagency agreement used to support students with disabilities involved in the transition process?

Join us for important discussions about the interagency agreement, TAC's and your role in transition process

*Sponsored by the Wisconsin Departments of Public Instruction, Workforce Development/ Division of Vocational Rehabilitation, and Health Services*

## Regional Meeting Locations

All meetings will be from 9:00 AM – 2:00 PM  
(with a box lunch provided)

After lunch, there will be time for discussing next steps in communication and coordination of services related to each specific TAC situation. TAC team members, who would like to either share effective practices, approaches and/or have more in-depth interaction with the interagency team about their TAC, will have the opportunity.”

Representatives from DPI, DVR, & DHS are conducting a series of regional meetings regarding the Interagency Agreement and to obtain local input about TACs. These meetings are a follow-up conversation to the DPI/DVR/ DHS Interagency Agreement orientations that were held last spring, and will focus on the role of local Transition Advisory Councils.

Discussion topics will include:

- How connections between all stakeholders benefit everyone involved with the transition process
- How TACs can support the Interagency Agreement
- Using the Transition Action Guide to improve communication & coordination of services
- Examples of effective (local) practices that enhance TAC meetings
- Feedback on how Departments can support TACs

Participation is encouraged for all TAC Members, including High School Transition Coordinators, DVR START Team Members & High School Liaison Counselors, as well as representatives from: ILCs, ADRCs, Counties, Regional Centers for Children & Youth w/ Special Health Care Needs, and Technical Colleges. [Note: it is OK if you need to attend a session other than the one in your area.]

## Questions?

Contact your Pathways Regional Coordinator, or
